Names of women touched, prayed
for and connected with services

431 Ministries was founded in 2018 out of a 700sqft home due to two unique situations

A SINGLE MOM HAD BECOME HOMELESS

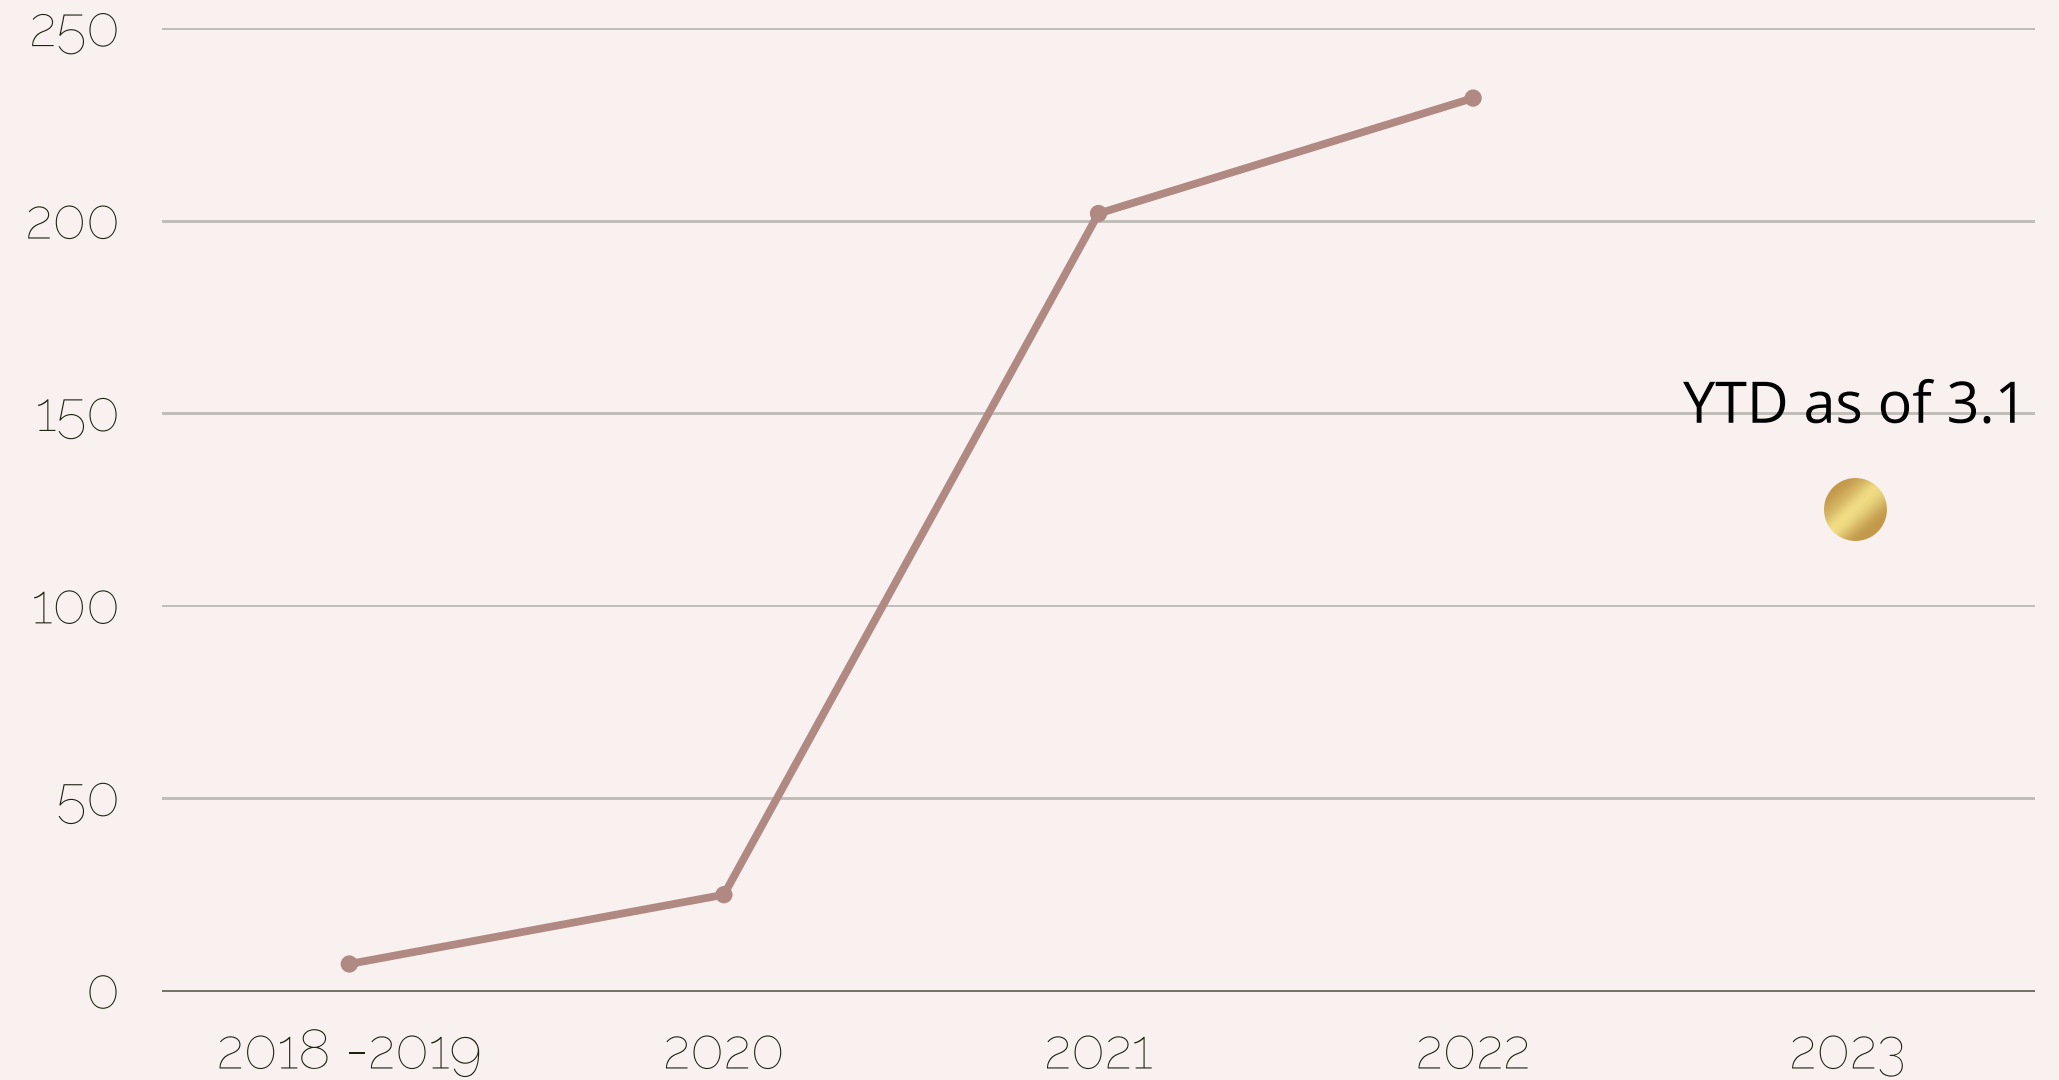

after being taken advantage of a man who offered her help and stability, only to change his mind and give her a list of required sexual obligations if she didn't pay him back fast enough.

A THIRD SUICIDE ATTEMPT FROM A

third generation single-mother household was abused, given drugs and trafficked, all while crying out for help. A third suicide attempt left her family broken but determined.

Growth of needs met by 431 Ministries

WOMEN ARE LONGING FOR COMMUNITY, answers and safety. They are coming to us in larger and larger numbers, growing our impact and allowing us to impact not only them, but future generations as well.

Known. Seen. Loved.

COMMUNITY DRIVEN SUPPORT

is critical for effective life change. Resources and money will never be enough.

When we empower and teach the mothers, we have an impact on the next generation.

We're meeting needs with three program areas.

Side-by-Side Program

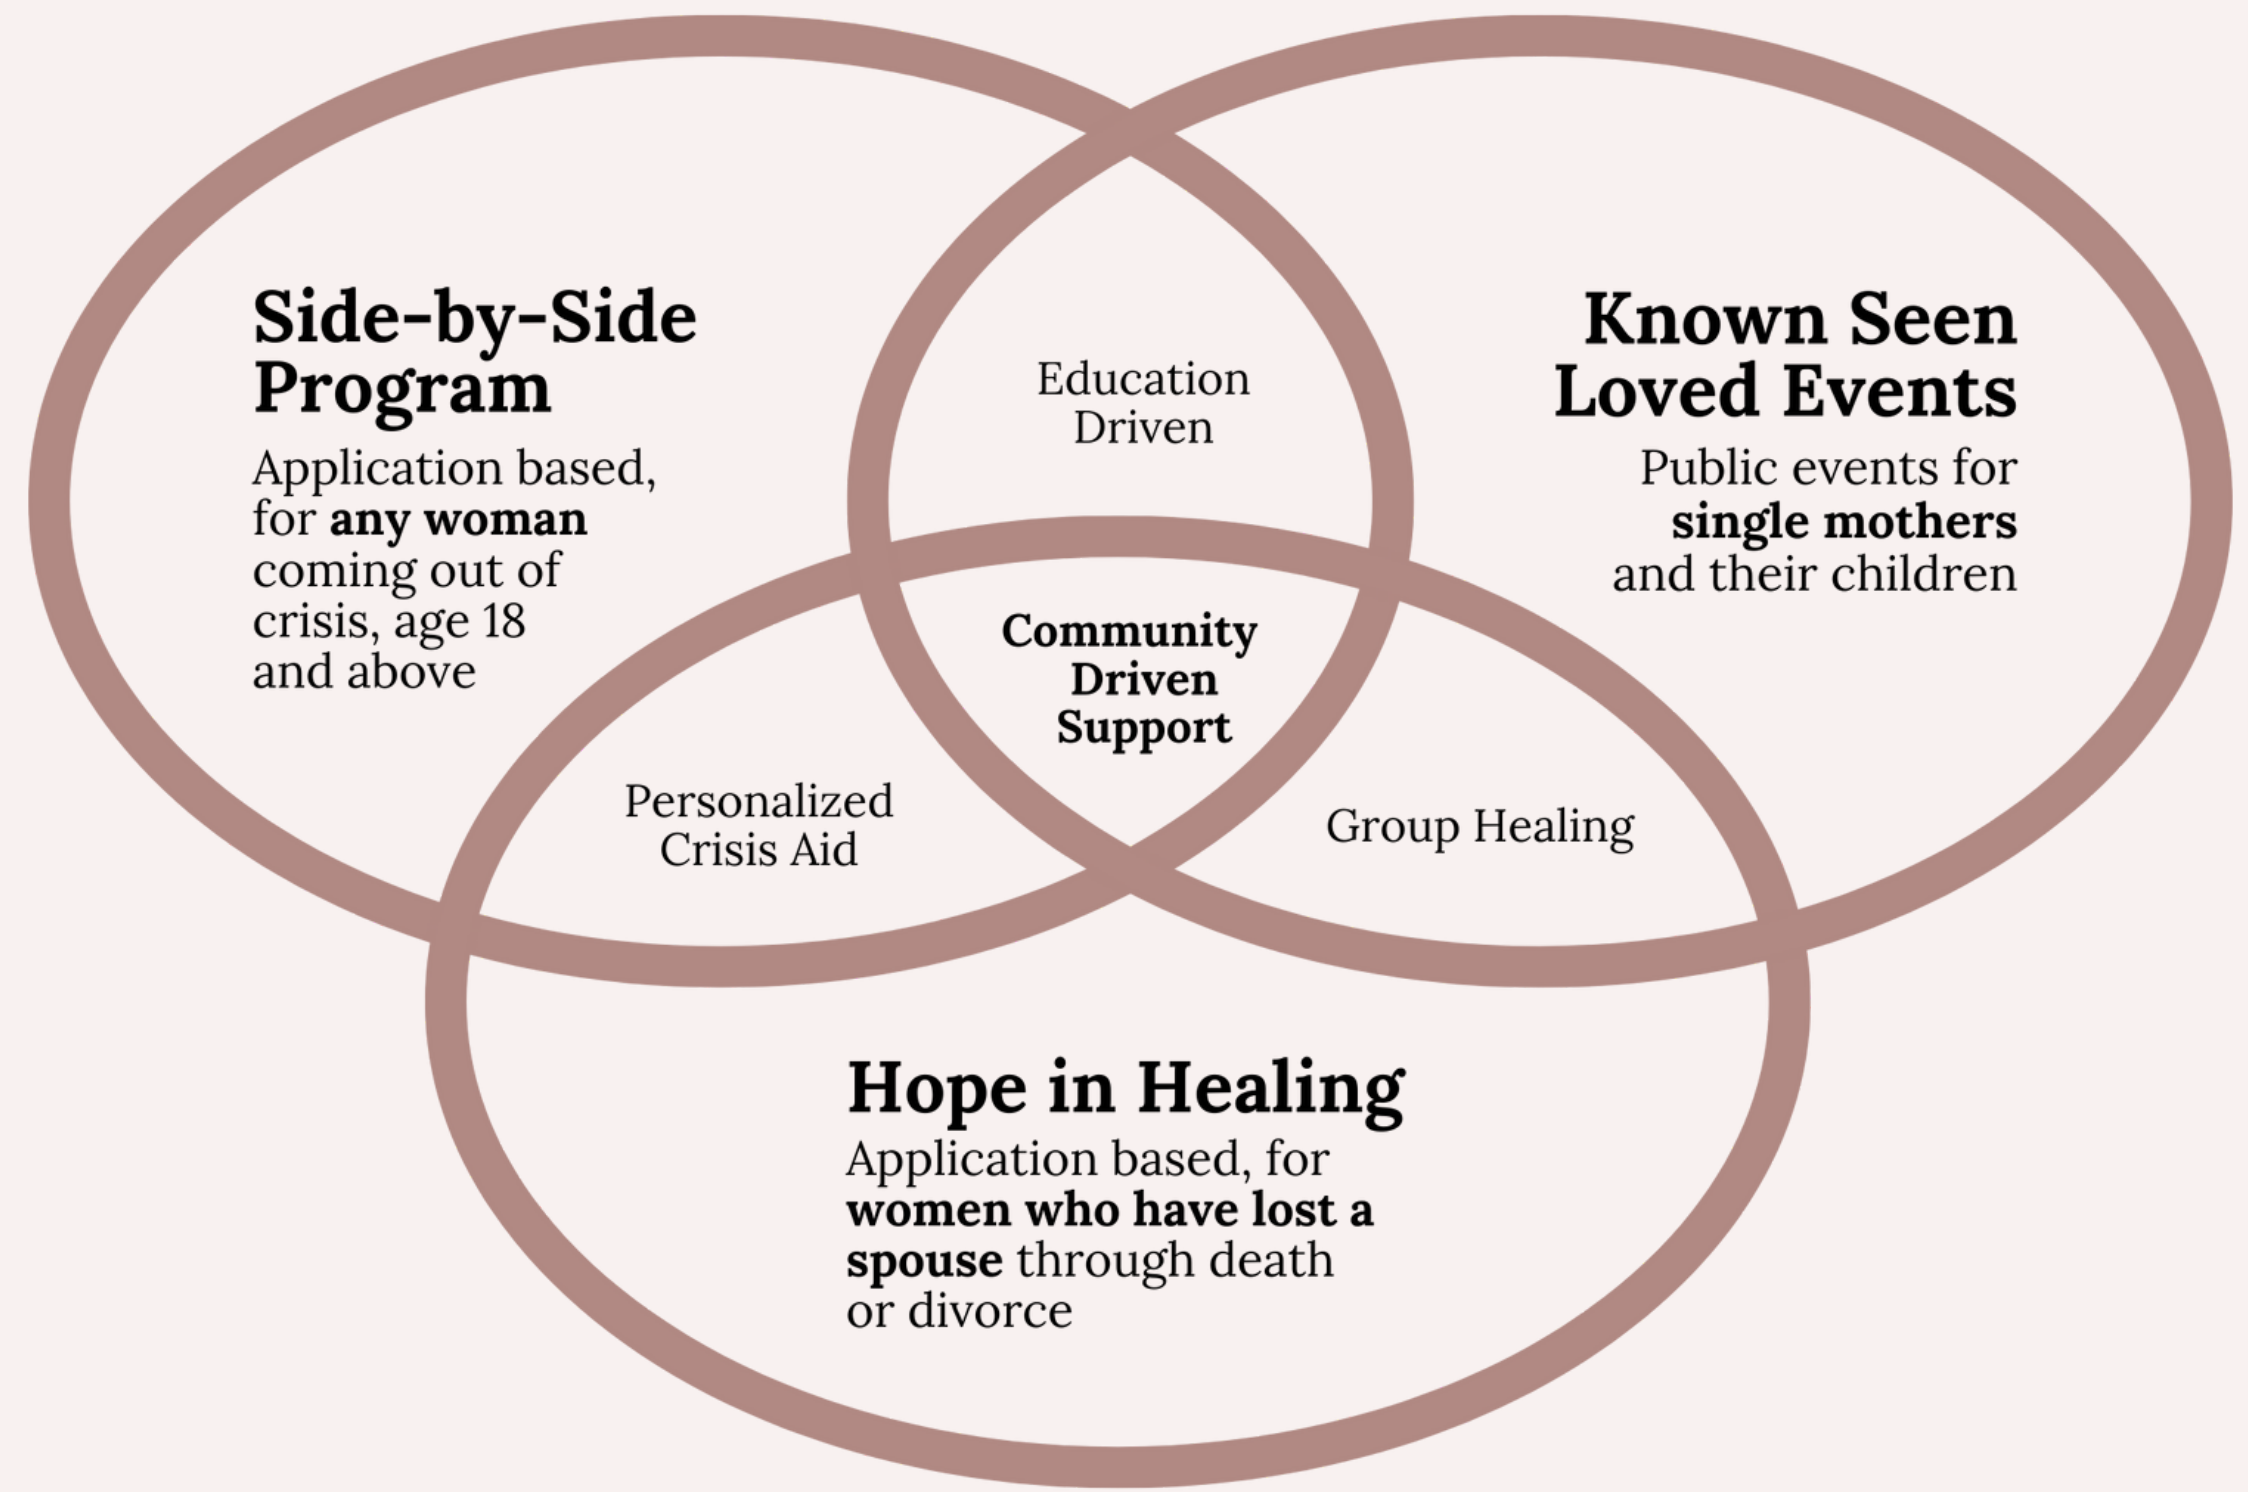

individualized care,
counseling, mentoring,
budget coaching, life skills
classes and more

Known Seen Loved Events

Encouraging and learning
based events and classes
that encourage community
amongst single moms

Hope in Healing

Retreat-style focused care
to work through grief in a
Christ-centered and healing
way

Haven of Hope

Haven of Hope will be a transitional housing program for vulnerable women ages 18-21.

Tentative launch of June 1, 2023

**In 2021, 431 Ministries purchased a
4745 sqft building for only \$65K.**

The structure is solid, but the roof needs to be replaced.
As of 9/22, the contract has been signed to do so!

THE IMPACT

“For two years I have been sober, but ‘paying’ for my sins with shame, mostly alone. THANK YOU for making me feel like a person, a woman and a professional again. You are helping me come back to life and I love you so much”
